

# CREATIVE REBEL

I refuse to be lost in the  
Mass Stream of Distraction and Doubt.  
I use my love for what I do, combined with tenacity and  
invincible-will, to show-up to my creative passion.

My reward:

Self-respect that is vital to self-expression, the joy of  
overcoming a challenge, creative results. and a habit of  
showing-up that can apply to all the grand places there are to  
show-up in life.
